

GAME ON

Dunwoody High School

Athletic Facility Capital Campaign

DHS Community Association is partnering with Dunwoody High School to launch the GAME ON! Capital Campaign. Established in 1972, Dunwoody High School is a cornerstone of the community. We excel in academics and athletics, and our programs have a rich tradition of providing student-athletes with the tools to succeed on and off the field. However, to continue on our path of success, we must replace our aging athletic facilities. **We invite you to join us in this fundraising effort** to support our student leaders of tomorrow and make these dreams a reality for our student-athletes and the community. *Unless you choose to remain anonymous, we will proudly display your contribution and recognize your organization as a donor at our school.* Your donation will be eligible for a tax deduction as DHS Community Association, Inc. is a non-profit 501(c)(3) organization.

Our Goal:

\$2 million

Our Master Plan:

- Install multi-sport artificial turf on the football practice field for football, lacrosse, soccer, track, marching band, and physical education students
- Resurface the track
- Install lights for evening use of the softball field, turf field and track
- Install spectator seating for the turf field
- Build a field house to include restrooms, concessions, locker rooms, weight room

Ways to Give:

We have multiple donation levels for every local business to support GAME ON!

"We want the improvements to benefit both our athletic programs and the entire Dunwoody community. These improvements will help knit our community together."

- Dunwoody High School Principal, Tom McFerrin.

WILDCAT PRIDE

Dunwoody High School has 34 competitive sports teams. We are proud of our academics, athletics, and the character of our students.
